Expert poker players make money by learning how to make fewer mistakes than their opponents at the tables. In the past, mastering sit-and-go strategy required a significant time commitment, and a dedicated player might study for years and spend thousands of dollars on private coaching to learn how to crush the online games.

In *Crushing Online Sit-and-Go's*, Greg Jones reveals his comprehensive method for teaching winning strategy at a fraction of the cost of private lessons. Based on his proprietary Pivot Points concept, this system mirrors his private coaching lessons that have turned complete beginners into winning poker players in as little as five weeks.

Contained within this course is an in-depth framework for identifying and executing, in real time, the most important profitable sit-and-go plays, including...

- Fundamentals of how to play low-, mid-, and high-blind levels.
- A simple, yet powerful, system for low-blind pre-flop and post-flop play.
- Simulations for building a profitable Pivot Point strategy to crush mid- and high-blind levels.
- Strategies for making crucial Pivot Point adjustments that will maximize your results and get you thinking like a true expert.

*Crushing Online Sit-and-Go's* also comes with plenty of tools to help you accelerate your learning and start implementing the strategy contained in the book immediately, including:

- Five "Focus Lesson" Classroom videos that will jump start your game immediately. These videos are the exact material that I cover in my introductory one-on-one coaching package with beginner students. They walk you step by step through each phase of the game and focus only on the concepts that will have the most impact if you implement them immediately.
- Three interactive sit-and-go walk-through videos, putting you in control of the action and providing in-depth analysis of your decisions for direct real-time feedback. These videos are like a final exam, allowing you to test your comprehension of the the book and classroom concepts. Videos take place at the low (\$6.50), low/mid (\$24), and mid-stakes (\$55) teaching you how to adjust the *Crushing Online Sit-and-Go's* material as the stakes get higher.
- Printable Strategy sheets for use while playing.
- Excel spreadsheets to create your own customized pivot point strategy.

*Crushing Online Sit-and-Go's* is different from any other book on the market, directly simulating the one-on-one coaching experience necessary to make fast improvements in your game. Whether you are a complete beginner or an experienced low-stakes grinder, this book is guaranteed to take your game to a whole new level.
