The Light Between Window Blinds Chelcie A. Tellez

The Light Between Window Blinds is a compilation of poems that indirectly tells a story of nostalgia. Years of poems akin to memories of love, friendship, personal darkness, despair, victories, and immortalized moments in time; captured in the metaphorical idea behind the glimpses of light between window blinds; a journey of insight and creativity. A title inspired in and by the magic of thought and the spirit of the written enigma. The first published anthology by the author.
