"By Loki's Horns! Look at her, on her knees, ready to serve all of us."

I'm on the shore near the forest, and a longboat of **Vikings** has just landed!

They find me in an intimate situation, and soon are taking me. Strong, handsome warriors, they have their own ideas about a young **Native American woman**. Taking me **hard and unprotected**, they show me their foreign ways of lust, and that when you are taken by the **Leader**, you are taken by **his entire crew**. Being **Taken by the Vikings** sweeps me away with their passionate and lusty attention!

(Re-titled from "Vinland Revelries" series by Chera Zade)
