## **Milady's Standard Professional Barbering** Maura T. Scali-Sheahan

This revised edition of Milady's Standard Professional Barbering provides students with all of the tools needed to prepare for state licensing exams and successful careers in the professional market. This latest revision includes a new categorical chapter layout designed for the sequential presentation of procedures and theoretical content. Full color photos and illustrations replace the line drawing illustrations of previous editions for better clarity of procedures and to provide students with accurate visual representations. New to this edition are chapter key terms and chapter glossaries, which reinforce important terminology and concepts and provide students with easy access to definitions. Procedure photos for mannequin and model work show step-by-step procedures for practice and actual hands-on services. In addition, this revised text includes more cuts and procedures to demonstrate the diversity and application of barbering techniques. New material has been added to provide students with a better historical presentation of the profession, and updated material in the science areas has been added to keep this textbook the most current available.
