“I don’t know if I can train you on my own, Irene. I might need a little help...”

When the maid Irene accidentally breaks an entire stack of saucers, the master of the house decides that she needs more **discipline** than he can deliver on his own.

The last time Irene upset Mr. Hastings, her dark, handsome young employer spent all night in the cellar with her, teaching her all the most devious ways she could provide better service for him. This time, he’s calling in a little help from his friends to train her - a little **group session** to get her motivated to serve. She’s going to spend her Friday evening in the basement, **ravished** by her sexy employer and all his friends, powerless to resist them, and she’s looking forward to every second of it!
