The Tao Te Ching of Womanhood: 81 steps toward wisdom, wonder, and joy as a woman (The 81 Steps Series Book 3) Win Wu-Wei

From the author of The Tao Te Ching of Parenting comes a text on the essence of womanhood, and what it means to approach each day with the wisdom, wonder, and joy contained in every woman.

Does your life satisfy you? Does your relationship with yourself bring you a deep, enduring satisfaction, even when your relationship with the world, in the moment, does not? Or do you simply find yourself wondering if there is anything to be learned from the past in how we approach our relationships with our partners, our friendships, and ourselves in today's world?

Philosopher, author, and friend Win Wu-Wei invites you to look at womanhood not as endless strife, but an endless opportunity to practice patience, closeness, and kindness, not just with those around us, but with ourselves.

With a modern, gentle interpretation of Lao Tzu's classic text on life and how to live it, Wei unwraps the Tao Te Ching and applies it to the intricate, immersing, and immensely satisfying experience that is womanhood, with words of wisdom that will appeal to every woman seeking guidance from the ancients for how to be the kind of person we ourselves are drawn to.
