**Violet (Chase Family Series) (Volume 5)** Lauren Royal

*England, 1673*

The Ashcroft family motto is "Question Convention," and eldest sister Violet agrees with the sentiment completely. For one thing, she's not planning to marry. Plain Violet is smart enough to realize any suitors would be after her large inheritance, or else interested in her beautiful younger sisters--and she'd much rather spend her time improving her mind than risking her tender heart...

After wasting six years wooing a lady who eloped with another man, Ford Chase, the handsome and eccentric Viscount Lakefield, has had it with women. Ford is passionate about his scientific pursuits and doesn't need to find love, thank you very much. When an unwelcome distraction--in the form of his six-year-old niece--is dropped in his lap, he enlists the help of an uncommonly intelligent neighbor named Violet. But Violet's surprising allure proves to be even more distracting, leading to a passion the likes of which he's never even imagined...
