***Bound to Eve*, the 3-book story:**

Beautiful aliens posing as humans, mystical clouds carrying people into the sky, merciless murderers chasing a necklace too perilous to touch, a young woman in unthinkable danger, and a forbidden love with the power to destroy a world. *Bound to Eve* is an unconventional story, a wild horse refusing to be lassoed by any one genre category. Equal parts fantasy, thrilling adventure, mystery, and love story, the 3-book series will appeal to readers who are seeking an unusual, yet very satisfying journey into the unexpected.

Book 1:

When evil threatens Naden's planet and murderous traitors hunt him, Naden escapes to Earth where he walks among humans and secretly shadows Eve Madison, a part-time college student who has inherited a perilous family heirloom. Naden quickly discovers how dangerous the beautiful young woman is for him, in part because Eve's protectors—the Bound—will kill him if they discover him, and in part because he finds himself falling in love with her. For Naden, the unstoppable feelings are terrifying, because on his planet, love is a forbidden passion and loving someone is an unforgivable crime.

Join Naden, Eve, their friends, and their terrifying enemies, and experience a story that magically bridges two worlds: Eve's, where love sometimes hurts you, and Naden's, where love actually has the power to kill.
