Menace's plan to catch a docile woman is shot to hell when he's tackled by a darkhaired beauty who wants to save her friend from being Grabbed. Refusing to leave the planet's surface empty-handed, Menace claims the spitfire with his collar.

Naya clawed her way off the streets of Connor's Run and vowed to never let any man control her. She plans to make Menace so miserable he'll set her free, but the ruggedly sexy warrior disarms her with his unexpected patience and kindness.

Against her better judgment, Naya surrenders to Menace's masterful hands and mouth. Submitting to her new husband brings more pleasure and happiness than she'd ever imagined possible. For the first time in her life, she willingly trusts a man to protect her.

But when past misdeeds catch up with her, Naya puts the depth and strength of that love to the test. Determined to prove he's worthy of her trust, Menace will stop at nothing to save her.
