For aspiring authors who are new to the world of publishing, enclosed is the cover letter and book proposal that landed me my first book contact. I sent proposals to 13 separate university presses, and at various times during the course of a year, three separate presses expressed interest in the book. In the end, Stanford University Press accepted *Working the Night Shift: Women in India's Call Center Industry*, and it was published in 2010. The samples I share are geared towards individuals looking to publish with an academic press.
