The three spunky ladies who so charmed readers in *The Ladies of Covington Send Their Love* and *The Gardens of Covington* welcome us back to the small Southern town of Covington, to their quaint white farmhouse with yellow shutters on Cove Road...

From the Heart of Covington

Life lessons abound as housemates Hannah, Grace, Amelia continue to surround themselves with love and hope, meeting each new challenge with equanimity and heart and placing their trust in one another as their friendship strengthens and grows. In helping a dear friend and neighbor cope with illness, the ladies develop a deeper mutual compassion and a true appreciation for the softness of heart and toughness of spirit that join them as women. Amelia, feeling strong and adventurous, takes a momentous trip to New York City to further her burgeoning photography career. Grace, kindhearted as ever, becomes involved with a little girl at the local elementary school who may be having terrible problems at home. Meanwhile, Hannah's daughter, Laura, is involved in a tragic accident that has serious consequences for all concerned.

With the same compassion and heart readers have already come to know and love, Joan Medlicott once again reveals how life's journeys and challenges only strengthen our loving commitments to family, friends, and loved ones. It's another inspiring message of courage, self-acceptance, and hope.
