When winged paranormal Dante is injured in a demon attack, he faces certain death unless he can reach a healing spring just off the Pacific coast. With his strength waning and the demon poison infesting his system, the spring is his only hope. He never expects to find salvation in the arms of the property's caretaker, a much younger man. Bren is fascinated by the beautiful winged man who arrives at his family's sanctuary. He's determined to save Dante's life, but he'll have to find a way to help Dante heal without infecting himself with the demonic poison, and time is running out.

A story from the Dreamspinner Press 2015 Daily Dose package "Never Too Late."
