ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

Explore Religions of our World.

For more than three decades this introduction to the world's religions, *Many Peoples, Many Faiths*, has combined factual information with empathic writing that seeks to convey the flavor of our planet's diverse religions and cultures. This classic work helps students gain a sense of each religion's unique characteristics while tackling some of today's most critical religious issues. It is written in an engaging style and has been fully updated--with fresh insights and information on each of the world's major religions, along with new religious movements.

MyReligionLab is an integral part of the Ellwood program. Key learning applications include MyReligionLibrary, MyAtlas, and more than 50 videos to help students understand the content in the book.

Teaching & Learning Experience

This program will provide a better teaching and learning experience—for you and your students. Here's how:

- **Personalize Learning** — MyReligionLab is an online homework, tutorial, and assessment program. It

helps students prepare for class and instructor gauge individual and class performance..

- **Improve Critical Thinking** — Chapter Objectives at the beginning of each chapter and Questions for Review at the end of each chapter help readers build critical thinking and study skills.
- **Engage Students** - Helpful maps, timelines, summary information tables, and glossary guide student's learning.
- **Support Instructors** — Teaching your course just got easier! You can create a Customized Text or use our Instructor's Manual, Electronic "MyTest" Test Bank or PowerPoint Presentation Slides.
