Real Erotic Stories By Real Women Amy Redd

My name is Amy and I'll be your hostess on this journey of erotic stories based on real life events. Each story comes from a real woman who had encounters that were so hot and steamy, she just couldn't keep the story to herself.

My story leads off this book where I tell about a late night encounter that turned me from a good girl who got Straight A's to a horny slut that craves cock.

After that I go on to share stories that I've been told from my friends, coworkers and even a couple of random strangers. These are real women: college students or office assistants with maybe some extra curves or glasses. However, for one night they're more like porn stars than the girl next door.

Enjoy!
