The Duke's School for Young Ladies Emily Tilton

When her governess catches eighteen-year-old Anne Solmes in the act of pleasuring herself, Mr. and Mrs. Solmes conclude that drastic action is required. Anne soon finds herself on her way to Miss Halton's Preparatory Academy for Girls, a school founded by the famously strict Duke of Panton for the correction of young women of marriageable age. The girls of Miss Halton's have disgraced themselves, but their future prospects may still be salvaged by means of proper discipline and training. Anne quickly discovers that her new schoolmistress will not tolerate disobedience, and that punishments for misbehavior are both harsh and humiliating.

Though he samples the pleasures his position offers, the duke does not keep the girls of the academy for himself. It is not long before one of the duke's associates, a handsome, dominant gentleman in his own right, seems ready to ask for Anne's hand. But is Anne prepared to spend a lifetime with a man who expects her obedience to his every demand and who will not hesitate to punish and pleasure her as he sees fit, no matter how deeply she might blush at his mastery of her body?
