The History of the American Indians; Particularly Those Nations Adjoining to the Mississippi East and West Florida, Georgia, South and North Carolina, and Virginia (Classic Reprint) James Adair

American Indians their civilization and the happy settlement of the fertile lands around them, I shall rejoice; and the public will be greatly obliged to you, as your request incited to it; and to you I am also indebted for many interesting particulars, and valuable observations. I embrace this opportunity, of paying a public testimony of my gratitude, for your many favours to me. Permit me also to celebrate your public spirit your zealous and faithful service of your country your social and domestic virtues, which have endeared you to all your acquaintance, and to all who have heard your names, and make you more illustrious, than can any high sounding titles. All who know you, will readily acquit me of fervidity and flattery, in this address. Dedications founded on these motives, are the disgrace of literature, and an insult to common sense. There are too many instances of this prostitution in Great Britain, for it to be suffered in America. Numbers of high feated patrons are praised for their divine wisdom and godlike virtues, and yet the whole empire is discontented, and America in strong convulsions.
