The year is 1985 – but it may as well be 1935. In some parts of the South, interracial dating is still an unspoken taboo, as black women are generally considered a forbidden fruit for white men. Especially for prestigious, young, Southern, white heirs like Jason Chandler. Enter Britney Robinson with beautiful, big, brown eyes and cocoa skin, changing everything for Jason. As Jason and Britney's puppy love blossoms into a fairytale of its own, the history between their families also unfolds. Decades of secrets and lies begin to unravel in both the Chandler and Robinson household, changing everyone's sense of reality and truth forever.
