Senior year of high school was a horrible time for Jeff. After he came out as gay, everyone treated like he was some kind of freak. Everyone except for his only advocate: Jeff's sexy stepbrother Danny Rocks.

Danny was the hottest guy in high school and everyone knew it. He was the high school quarterback who got all the girls he wanted. Even though Danny defended Jeff from all of the high school bullies, Jeff knew that Danny was straight as an arrow.

But when Jeff returns home from his first year at high school to see his stepbrother Jeff, something has changed about Danny. Something that Jeff can't quite put his finger on.

When the boys have a few extra beers on a hot summer night outside in the hot tub, it turns out that maybe Danny wasn't quite as straight as he thought...

It turns out that Danny has a BIG surprise for his stepbrother Jeff. And it's about ten inches long.
