Went to Kansas: Being a Thrilling Account of an Ill-Fated Expedition to That Fairy Land, and Its With a Sketch of the Life of the Author, and How the World Goes With Her (Classic Reprint) Miriam Davis Colt Divinity That Shapes Our Ends

It is with extreme modesty that I present the following pages to be read by other eyes than mine. I do not hand them out expecting that they possess merit enough to interest the million, in these exciting war times; but it is of my friends (those that know me,) and their friends, that I ask patronage, and expect audience. While in Kansas, I carried a little note-book in my pocket, in which I noted the dates, and the transpirations of each day; so that in writing my sad history, I have carried out the same form, describing the scenes just as they transpired. What I have written, my friends may rely upon as being the Truth. If it fails of being truth, it is not plus truth but minus truth, on account of my lack of language to describe up to truth. (Typographical errors above are due to OCR software and don't occur in the book.)
