# Criminal Justice Procedure

Stacy C. Moak, Ronald L. Carlson

**Criminal Justice Procedure** Stacy C. Moak, Ronald L. Carlson

*Criminal Justice Procedure* gives clear guidance on the most common questions faced by today's law enforcement, offering fresh look at 21st century pre-trial protocol. Unlike other case books, this newly revised edition eschews legal theory in favor of the practical know-how needed to not to parse, but apply criminal law. Emphasis has been placed on just exactly how practitioners should conduct hot-button procedures such as airport and border searches. Moreover, the book also addresses the often dire implications of deviating from proper practice - how a false step can translate into a violation of individual rights, or the inability to successfully prosecute the guilty. This edition has been specifically designed for CJ undergraduate programs (rather than higher-level law schools) and completely reorganized for a more logical flow of topics. Moreover, it is newly focused on the most crucial practical applications of the law in the CJ context. There is also added emphasis on the Fourth, Fifth, and Sixth Amendments.
