Nightmare Japan: Contemporary Japanese Horror Cinema. (Contemporary Cinema) Jay McRoy

Over the last two decades, Japanese filmmakers have produced some of the most important and innovative works of cinematic horror. At once visually arresting, philosophically complex, and politically charged, films by directors like Tsukamoto Shinya (*Tetsuo: The Iron Man* [1988] and *Tetsuo II: Body Hammer* [1992]), Sato Hisayasu (*Muscle* [1988] and *Naked Blood* [1995]), Kurosawa Kiyoshi (*Cure* [1997], *Séance* [2000], and *Kairo* [2001]), Nakata Hideo (*Ringu* [1998], *Ringu II* [1999], and *Dark Water* [2002]), and Miike Takashi (*Audition* [1999] and *Ichi the Killer* [2001]) continually revisit and redefine the horror genre in both its Japanese and global contexts. In the process, these and other directors of contemporary Japanese horror film consistently contribute exciting and important new visions, from postmodern reworkings of traditional avenging spirit narratives to groundbreaking works of cinematic terror that position depictions of radical or 'monstrous' alterity/hybridity as metaphors for larger socio-political concerns, including shifting gender roles, reconsiderations of the importance of the extended family as a social institution, and reconceptualisations of the very notion of cultural and national boundaries.

Caroline Hagemann:

As a scholar exactly feel bored to reading. If their teacher asked them to go to the library as well as to make summary for some book, they are complained. Just minor students that has reading's soul or real their hobby. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring in addition to can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Nightmare Japan: Contemporary Japanese Horror Cinema. (Contemporary Cinema) can make you really feel more
