Five boys. Millions of devoted fans. One Direction!

Since graduating from TV talent contest *The X Factor* in 2010, clean-cut cuties One Direction are on the fast track to global domination. Put together by music mogul Simon Cowell on the UK edition of his hit reality show, in just two years Harry, Niall, Zayn, Liam and Louis have exceeded the wildest dreams of their mentor, breaking chart records on both sides of the Atlantic with their debut album *Up All Night* and prompting scenes of Beatle-like hysteria from Stockholm to San Francisco.

Packed with full-color photographs of all five band members, *One Direction: No Limits* chronicles the group's journey in full, from their first (unsuccessful) solo auditions to their current status as the hottest boy band in the world. Including: the ups-and-downs of life on *The X-Factor*; what the boys really think of fame, their fans, and each other; and all the back-stage gossip from their sell-out tour. Whether you love Niall's Irish charm or go weak for Harry's cheeky grin, this glossy visual biography is the perfect addition to any fan's collection.
