All Jared wanted was a little peace and quiet after getting home from deployment. Instead, a freak coastal storm leaves him with a lapful of half-drowned trouble in the shape of a pretty little blonde with more spunk than sense.

Lauren's far too sweet and sexy to resist, and the more he gets to know her, the more he realizes it's going to take a firm hand to keep her in line, and not just any hand. His. Can he convince her they have the makings of more than just a summer fling? Or will his bare-bottomed lessons leave her running for the door?

This *novella* involves mature sexual content and domestic discipline between consenting adults. Lauren and Jared's story is a contemporary spanking romance and stands alone with no cliffhangers.
