Religion, Terror and Violence: Religious Studies Perspectives

Religion, Terror and Violence: Religious Studies Perspectives

September 11 and the subsequent War on Terror continues to cast a long shadow over the world. *Religion, Terror and Violence* brings together a group of distinguished scholars from a range of backgrounds and disciplines to explore the claim that acts of violence – most spectacularly the attack of September 11, 2001 and the international reaction to it – were intimately linked to cultural and social authorizing processes that could be called 'religious.'

This book provides a nuanced but incisive insight into the reaction of the discipline of religious studies to the post 9/11 world.
