Scars (Broken but... Mending) (Volume 2) Dale Mayer

Some scars are visible... Some scars are hidden... The worst scars are buried deep inside... Robin and Sean are existing in their private worlds. Hiding in plain sight, not really living, definitely not thriving. They both need to move forward... if they can. Yet the price of success is pain as they confront issues that have plagued them for years. They're so different, with such opposite problems. Yet they complement each other - or at least they will, if they can work through their issues and find each other. This is a story of pain and sorrow, joy and success... and... love.
