**Exposure** Helen Dunmore

**“Dunmore so cleverly interweaves each of the character's stories that as the tale unfolds it has the chilling ring of absolute authenticity. It’s gripping and page turning and all those things you expect in a Spy Drama—but always laced with her trademark humanity. I was totally caught up in the story which is paced perfectly. Her best book yet.”—Mavis Cheek**

Virtuoso storyteller Helen Dunmore returns with a thrilling Cold War espionage tale in which the closest ties are called into question and nobody is quite who they seem.

It’s London, 1960. The Cold War is at its height, and a spy may be a friend or neighbor, colleague or lover. Two colleagues, Giles Holloway and Simon Callington, face a terrible dilemma over a missing top-secret file. At the end of a suburban garden, in the pouring rain, Simon’s wife, Lily, buries a briefcase containing the file deep in the earth. She believes that in doing so she is protecting her family. What she will learn is that no one is immune from betrayal or the devastating consequences of exposure.

### From reader reviews:

#### **Frank Miller:**

Nowadays reading books become more than want or need but also get a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge the actual information inside the book that improve your knowledge and information. The details you get based on what kind of guide you read, if you want get more knowledge just go with education books but if you want feel happy read one with theme for entertaining for example comic or novel. The particular Exposure is kind of publication which is giving the reader unforeseen experience.

#### **Angelica Adams:**

As we know that book is essential thing to add our understanding for everything. By a reserve we can know everything you want. A book is a group of written, printed, illustrated or maybe blank sheet. Every year ended up being exactly added. This guide Exposure was filled with regards to science. Spend your spare time to add your knowledge about your research competence. Some people has several feel when they reading a book. If you know how big benefit from a book, you can really feel enjoy to read a book. In the modern era like at this point, many ways to get book which you wanted.

#### **Edmund Morrissette:**

As a student exactly feel bored to reading. If their teacher inquired them to go to the library or make summary for some publication, they are complained. Just little students that has reading's soul or real their pastime. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring as well as can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Exposure can make you really feel more interested to read.

#### **Erica Futch:**

What is your hobby? Have you heard that will question when you got pupils? We believe that that question was given by teacher to the students. Many kinds of hobby, Every individual has different hobby. Therefore you know that little person just like reading or as studying become their hobby. You need to know that reading is very important and book as to be the matter. Book is important thing to add you knowledge, except your own personal teacher or lecturer. You discover good news or update regarding something by book. Different categories of books that can you go onto be your object. One of them is Exposure.
