David Todd

**Feeding Back: Conversations with Alternative Guitarists from Proto-Punk to Post-Rock** David Todd  
*Feeding Back: Conversations with Alternative Guitarists from Proto-Punk to Post-Rock* offers a counter-history of rock music through the lens of interviews with musicians including Richard Thompson, J Mascis, James Williamson, Bob Mould, Tom Verlaine, Lydia Lunch, Lee Ranaldo, Johnny Marr, and John Frusciante. Individually, the book's in-depth discussions explore these subjects' ideas and innovations; taken together, they document an alternative-guitar tradition with roots in free jazz, punk, avant-garde, folk, and garage rock styles. Of all the conversations in *Feeding Back*, the most compelling is the one among the guitarists themselves, the way they both influence and respond to each other while redefining the instrument and the rock genre. From the proto-punk of the Stooges to the post-punk of Sonic Youth, from the krautrock of Neu! to the post-rock of Tortoise, the book charts this alternative thread as it makes its way through rock guitar from the late '60s to the present.

#### **Brianna Bell:**

As a college student exactly feel bored in order to reading. If their teacher expected them to go to the library in order to make summary for some guide, they are complained. Just tiny students that has reading's heart or real their leisure activity. They just do what the instructor want, like asked to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring in addition to can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for yourself. As we know

that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Feeding Back: Conversations with Alternative Guitarists from Proto-Punk to Post-Rock can make you feel more interested to read.
