A portrait of a man who has become a rock legend. Jon Bon Jovi is Bon Jovi's focus and figurehead and this volume charts his relationship with the other band members who have their fair share of rock and roll stories. Laura Jackson explores the personality, character, drive and determination that has taken Jon Bon Jovi from playing the New Jersey clubs through all the groupie excess and glamorous indulgence to where the band is in 2003. She also examines Jon Bon Jovi's interest in acting and scoring music for Hollywood films.
