Rock the Casbah: Rage and Rebellion Across the Islamic World with a new concluding chapter by the author Robin Wright

A decade after the 9/11 attacks, Robin Wright's *Rock the Casbah* took readers deep into rebellions against both autocrats and extremists that were redefining politics, culture, and security across the Islamic world. A year after the Arab Spring, she went back to Egypt and Tunisia where it had all started for an epilogue, *The Morning After*, describing the new reality—that creating a new order is as hard as ousting the old one. In this brilliant follow-up report, Wright describes the hopes and the turmoil of the region through the words of those who are living it.
