Write what you see.

Write it out in big block letters

so that it can be read on the run.

—Habakkuk 2:2, Message

God created you to be a visionary! You may not feel like one. Or maybe you are completely burnt out on vision because you've had so much of it—and nothing has happened ...yet.

Do you want to learn how to:

- Tell the difference between visions and dreams so you can take the appropriate steps to bring them to pass?
- Pinpoint where your vision is on the Vision Continuum and take it from dark to vivid?
- Resurrect old dreams you might have given up on and infuse them with new life?

In *Stop Waiting... Start WINNING!* Dr. Teresa Hairston shares ten life-changing principles that you can apply to see your dreams become reality.

Dr. Hairston launched her dream with only \$300 while working two jobs and raising three children as a single mom. As a result, she founded one of the longest-running and most widely distributed Christian magazine companies in history: *Gospel Today*.

She ran with vision in spite of the obstacles... and you will learn to do the same!
