No one at Mitchelstown High has any idea of the double life Carmella Anderson leads. Sure, on the surface, she's a charismatic and geeky student with a crush on a popular skateboarder. But beneath that, she has a decade of experience as a ninja in training. After shattering generations of tradition in her family's way of the mercenary, Carmella's grandfather began a new tradition – standing up for the few good citizens in her hometown of Blyton. When night falls, she must take on the persona of Karma and bring balance to a corrupt city. However, her martial arts and arsenal of advanced weaponry may not be enough to track down a beast-like rogue ninja involved in a recent string of murders. Karma will need help from friends, family, and her genetic gift – special abilities unique to her clan – to uncover the mystery behind the killer and bring him to justice.
