Youth Gone Wild: The Complete Series (A-E) Lola Lacey

A quick look, an innocent, familiar touch that burned, a wild ride down forbidden path...

Are you sure you're prepared for these five sizzling hot stories that will leave you breathless? Strap in and don't say nobody warned you.

Awkward, gangly Abigail transformed into a beautiful swan and caught the eye of the studly, red blooded young man she had known forever...

Luke figured it would be normal to be a little jolted by how Abigail had changed. Sure he was only gone for a short time but complete transformation happened, even to a girl you had known forever. What he hadn't gambled on was how much his body was reacting to her now.

A year ago, nobody would look at Abigail and thought of naughty things. Certainly not Luke. But these days Abbie translated to forbidden fantasies under the golden sun, where his hands dripped with suntan lotion on her smooth skin... Suntan lotion and satisfaction.

*

Itty bitty little brat Betty was no longer the girl Aaron had always pictured her. One chance encounter opened his eyes wide to reality, one that bothered and excited him.

So maybe she was not completely forbidden for him, but it was still very naughty of Aaron to fantasize, especially when it was clear that Betty was quite an innocent—who was only too willing to please...

*

A mild young man pushed too far, an unrepentant cute brat, and an awkward scuffle that ended up putting the two of them in a compromising position...

Dean had no intention of ever raising to Cherry's bait, no matter how tempting it was to teach the brat a lesson. It was not worth the risk confronting her when he secretly had her in all his fantasies. No, she was forbidden. It was much safer not getting into a fight or a wrestling match...

*

Newly found closeness between two young people who had known each other forever brought fun, excitement, forbidden thoughts, heat and much, much more...

Peyton didn't know what caused it, but he enjoyed being around Daisy, just as much as she did around him. They had fun up until she started popping into his forbidden fantasies, hot and full of promises. Peyton told himself their picnic trip would be just another thing they did, knowing full well they would do a lot more

than just having lunch out in the open...

*

A red blooded young man who was a dab hand at head games found himself a forbidden, yet willing subject.

Sam knew innocent and inexperienced Emily was not his to touch. That he wanted to pin her close and devour her warmth, filling and stretching her until she begged him for release was just a wild, forbidden fantasy. But was it really? Because Sam could actually 'see' and what he saw in Emily's eyes was a little brat begging...
