Air Gear Vol. 18 Oh!Great

Ikki Minami is a junior high school student with a dream - to become the best Air Trek rider in town. It won't be easy, as he faces a lot of competition from boys and girls alike. What is Air Trek? Just the latest craze that involves taking a two-wheel inline skate and adding a motor, suspension and a shock absorber to enable the wearer to execute the wildest, wackiest, most aggressive moves you can imagine. Ikki has a lot to learn as he fights his way to the top in this wild, sexy manga from the creator of Tenjho Tenge! **BURNING THE SKY:** The true motives of the original Sleeping Forest are revealed as Spitfire makes his move in a confrontation with a surprise enemy. Kazu is chosen to be the successor to the Flame Road, but does that mean that it's the end of the road for Spitfire? This volume of Air Gear includes special extras after the story!
