**How to Crochet: Techniques and Projects for the Complete Beginner** Emma Varnam

If you've been thinking about taking up crochet but didn't know where to start, this guide for the absolute beginner is for you. This simple-to-follow project-based book takes you through the basic techniques of this fun and creative craft. You'll learn everything you need to get started, including how to do the basic stitches, read charts and patterns, and finish off your work. A troubleshooting section will guide you out of any difficulties too. A range of techniques – including double crochet, working in the round and making granny squares - is accompanied by a stylish project to make, including a tea cosy, a tablet cover and mittens. Each technique is explained with the help of clear illustrations that will guide you every step of the way.
