Reincarnation Sommer Matriangelo

There is life after death. In fact death is just an illusion. We are always alive, we just change form. Our beliefs determine what our next life will be like. It is not god or the universe that makes that decision, it is us. I remember thirteen of my previous lives so I am writing from experience. Life never ends. We live over and over. Whether our lives will be good ones or bad ones is entirely up to us so we need to focus on making the world the kind of place we would like to come back to.
