The Art and Business of Photography Susan Carr

Photographers now have the ideal resource to build a solid foundation for success. The Art and Business of Photography takes an honest approach to the photography profession and is a guide to the artistic and business skills that are the foundation of a career in photography. Professional photographer and former ASMP president, Susan Carr, discusses the realities of the photography industry along with the struggles of expressing creativity and producing quality photography. Topics in this distinctive guide include the balance of being an artist and a business person, the basics of copyright, pricing skills, how to find future prospects, and the importance of craft and creativity. Firsthand experiences and sample photographs by top photographers--pursuing various photography subjects and different types of clients--serve to enhance the unique combination of art and business included in this book. This volume also covers the history of the profession and the current state of the industry. Anyone with a love for a photography and the creative process will benefit from this realistic yet inspiring approach to the photography industry.

From reader reviews:

Leticia Simmons:

People live in this new time of lifestyle always attempt to and must have the time or they will get great deal of stress from both lifestyle and work. So , if we ask do people have free time, we will say absolutely of course. People is human not really a huge robot. Then we question again, what kind of activity have you got when the spare time coming to you of course your answer will unlimited right. Then ever try this one, reading textbooks. It can be your alternative throughout spending your spare time, the actual book you have read is definitely The Art and Business of Photography.

Tracy Gardiner:

Can you one of the book lovers? If so, do you ever feeling doubt when you find yourself in the book store? Try to pick one book that you just dont know the inside because don't ascertain book by its protect may doesn't work the following is difficult job because you are afraid that the inside maybe not while fantastic as in the outside look likes. Maybe you answer might be The Art and Business of Photography why because the great cover that make you consider regarding the content will not disappoint anyone. The inside or content will be fantastic as the outside or cover. Your reading sixth sense will directly direct you to pick up this book.

Carroll Boggess:

This The Art and Business of Photography is great publication for you because the content which can be full of information for you who also always deal with world and also have to make decision every minute. This kind of book reveal it data accurately using great arrange word or we can state no rambling sentences in it. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only will give you straight forward sentences but difficult core information with attractive delivering sentences. Having The Art and Business of Photography in your hand like having the world in your arm, information in it is not ridiculous a single. We can say that no guide that offer you world within ten or fifteen moment right but this guide already do that. So , this is good reading book. Hi Mr. and Mrs. stressful do you still doubt which?

Marian Knight:

As a student exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's heart or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading is not important, boring in addition to can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this The Art and Business of Photography can make you sense more interested to read.
