Andy Park writes, "I've learned through the years that becoming a worship leader involves far more than developing a set of skills--it's all about developing a life in God." Here's your opportunity to sit at the feet of one who has for twenty-five years led contemporary worship services in the United States and Canada. In Park's book you'll get an inside look at how this worship leader has learned to follow the leading of the Spirit as he brings others into God's presence. And you'll find practical advice, experienced counsel and inspiring ideas on a variety of issues like

- songwriting
- pulling together a team
- staying humble
- planning the flow of worship
- what to do in times of dryness
- working with the pastor
- and much more!

Above all, Park will help you discover what it means for you as a worship leader to be first and foremost a worshiper.
