Warra Warra is a dot on the map, at least until a jumbo jet explodes above the town, killing all aboard the plane and many of the locals.

For those who survive, though, this is only the beginning of their nightmare.

After the emergency workers, the politicians and the journalists have gone - just when the townsfolk believe that they can rebuild their lives - strange things start to happen. Strange and menacing. The dead are rising. And they want Warra Warra for themselves.

*Warra Warra* is an enthralling ghost story, both beautiful and chilling, from acclaimed prize-winning author John Scott.
