Aristotle

A.E. Taylor

Aristotle A.E. Taylor

Alongside Plato, Aristotle is, without question, one of the most influential ancient Greek philosophers and arguably the greatest icon of ancient thought. His life and work expanded rapidly and extensively across the ancient world, helped in part by the fact he tutored Alexander the Great, he was a recognized and celebrated intellectual force during all of antiquity and the Middle Ages. Furthermore, after Aristotle, Greek thought and political influence began a rapid decline, and the cultivation of knowledge, so important during the classic period, slowly but surely began to fade, making Aristotle the last of ancient Greece's great philosophers. Aristotle's influence on Western philosophical thought is marked by an extensive list of crucial issues that both signaled the way forward but at the same time boggled philosophers' minds throughout the centuries. Aristotle's reflections on Being, as well as his rigorous Logic, were his most important philosophical legacy, but he was also an intellectual in the broadest sense of the word. His interests went beyond metaphysical questions and into practical life and practical knowledge, from ethics to politics, rhetoric and the sciences, all of which left a profound impact on Western political thought and ethics. Naturally, this has also made him one of the foundations of knowledge and philosophical thought that subsequent philosophers relied on when forming and refining their own philosophies.

From reader reviews:

Belia Gillespie:

What do you regarding book? It is not important to you? Or just adding material when you need something to explain what yours problem? How about your time? Or are you busy man or woman? If you don't have spare time to accomplish others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? Every person has many questions above. They should answer that question mainly because just their can do in which. It said that about publication. Book is familiar on every person. Yes, it is suitable. Because start from on pre-school until university need this Aristotle to read.

Richard Tipton:

Reading a e-book can be one of a lot of action that everyone in the world adores. Do you like reading book therefore. There are a lot of reasons why people fantastic. First reading a reserve will give you a lot of new information. When you read a book you will get new information mainly because book is one of a number of ways to share the information or even their idea. Second, examining a book will make you actually more imaginative. When you studying a book especially hype book the author will bring that you imagine the story how the characters do it anything. Third, you could share your knowledge to other folks. When you read this Aristotle, it is possible to tells your family, friends as well as soon about yours book. Your knowledge can inspire average, make them reading a guide.

James Reed:

Do you have something that you enjoy such as book? The guide lovers usually prefer to opt for book like comic, limited story and the biggest the first is novel. Now, why not trying Aristotle that give your enjoyment preference will be satisfied through reading this book. Reading habit all over the world can be said as the opportunity for people to know world better then how they react to the world. It can't be said constantly that reading practice only for the geeky person but for all of you who wants to be success person. So , for all of you who want to start reading through as your good habit, you are able to pick Aristotle become your own starter.

Brian Scheele:

A lot of people said that they feel weary when they reading a publication. They are directly felt the item when they get a half parts of the book. You can choose typically the book Aristotle to make your personal reading is interesting. Your current skill of reading ability is developing when you like reading. Try to choose easy book to make you enjoy to learn it and mingle the idea about book and examining especially. It is to be initially opinion for you to like to open a book and learn it. Beside that the reserve Aristotle can to be your brand-new friend when you're really feel alone and confuse with what must you're doing of these time.
