COOPER How can you prove yourself to the love of your life when years have passed, and the woman is as stubborn as they come? You have to start over and make her fall in love with you all over again; that's how. By the time I'm through, Olivia Sommers is not going to know what hit her. LIVI The last thing I want to do is open my heart up to heartache, especially to the one who shattered it into pieces. But as Cooper McDaniel starts coming around again, my heart can't help but fall. The question is should I give him another chance or push him away forever? Letting him back into my life is something that I never thought I would do. But to again feel what we once had together is more than a little tempting. True love can be the biggest risk with the greatest reward, but am I willing to take that gamble?
