After a broken leg ended his NFL dreams, Bruce Wilder changed directions and landed as a top CIA operative in the Middle East. Retiring from the "company" after two decades of service, Bruce opened his own detective agency in his hometown of Dallas. Two long-time friends wound up in Dallas too, one as the Assistant District Attorney, and the other, the Chief of Police. When Bruce is hired by an insurance company to find the truth behind a top executive's murder, he uses new high-tech devices to hunt down a ruthless killer. Follow him in this fast-paced "who-done-it" with twists and turns and unexpected surprises, and the one clue that continually eludes him. This is a book you will remember!
