"Disturbing. Nightmarish. Terrifying. And above all original. Ralph Robert Moore's new collection is unlike anything else I've read all year. All decade." AJ Kirby

"...one of the best collections I've read this year, delivering exactly the kind of uncompromising thrills and spills I've come to expect from this writer." Peter Tennant

"A highly recommended book." Mario Guslandi

"...these stories are far from predictable...Moore's work is consistently fascinating, original and devastating. His characters speak to you from whatever hell they inhabit, with clear, unambiguous voices." Trevor Denyer
