New edition includes map of Steeple Martin, list of characters and free bonus chapter from the next title in the bestselling Libby Sarjeant Murder Mystery series.

Artist and ex-actress Libby Sarjeant is busy directing a play for the opening of a new theatre in her village when one of her cast is found murdered. The play, written by her friend Peter, is based on real events in his family, disturbing and mysterious, which took place in the village during the last war.

As the investigation into the murder begins to uncover a tangled web of relationships in the village, it seems that the events dramatised in the play still cast a long shadow, dark enough to inspire murder.

Libby's natural nosiness soon leads her into the thick of the investigation, but is she too close to Peter's family, and in particular his cousin Ben, to be able to recognise the murderer?
