My Secret Life with Billionaire: (Vanessa's Diary Book 1) Vanessa Passion

Hi - my name is Vanessa, and this is a journal of my life since I decided to make some drastic changes to it.

I started getting ideas when one of my colleges, Mandy, found a Bondage and Discipline magazine with the other magazines in the Salon's waiting area. She was going to throw it in the rubbish bin, but I asked her to leave it where it was, saying that it would spice-up the place a bit. That afternoon, I deliberately kept myself busy, and hung around until all the other girls had gone home saying that I would lock-up when I'd finished, nothing special in that, one of us often stays back to finish something. Next afternoon, Mandy was looking for 'that' magazine, but couldn't find it. I said that one of the customers had probably pinched it. What I didn't say was that it was me that took it home with me the previous afternoon.
