Remember Fifth November Michael Fitzalan

Fifth of November, the Gunpowder Plot is an absorbing and riveting read and is the latest book produced by Michael Fitzalan. All of his novels lead the reader on an exciting journey. Guy Fawkes wanted to blow up parliament. What did he wish to gain; the very people who were going to replace James were present? How did he think he would get away with it? It does not make sense unless it was a story. Now, finally, you can read about the real plot, the plot to destroy the Catholic nobility hatched by Robert Cecil, Earl of Salisbury. Behind the scenes, he manipulated the cast in his play. Catesby, the supposed ringleader, had embraced Anglicanism, bringing his children up in the Anglican faith, yet he is portrayed as the zealous leader of the plot. Guy Fawkes was simply a night-watchman guarding barrels. Read the true story that relies on facts.
