As a pupil exactly feel bored to reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's soul or real their interest. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading through is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this The Big Picture can make you sense more interested to read.
