"Our culture is debating about when it's permissible to display the Ten Commandments," said a reviewer of this book. "The Workbook on the Ten Commandments will help them be displayed in the one place that matters: your life."

Small groups looking for Bible study that meets real life will welcome this skillfully presented study of the Ten Commandments. Biblical context and contemporary application are woven throughout eight weeks of study.

Reflection questions draw the reader deeper into God's purpose for each commandment in our lives today. A clearly outlined group meeting plan caps each week. These sessions include community-building exercises, time for singing hymns and discussion, and time to pray together.
