## The Encyclopedia of Biblical Ethics

A comprehensive reference work for everyone concerned with the complicated moral issues of this world, this unique volume clearly communicates what Scripture teaches about the ethical dilemmas facing our society. Biological warfare, corporate responsibility, human rights, computer ethics, and much more are discussed by over fifty scholars who explain the moral guidelines in the Bible and historic Christian teachings.

R.K. Harrison, author and editor of over thirty books on biblical studies, has brought together a valuable A to B treasury of thought for every believer searching for guidance.
