**The Transformed School Counselor (School Counseling)** Carol A. Dahir, Carolyn Stone

Preparing readers for real-world practice, **THE TRANSFORMED SCHOOL COUNSELOR**, 2e demonstrates how to effectively use theories, data-driven decision making, leadership, advocacy, and consultation to improve clients' scholastic achievement and foster social justice. Thoroughly integrating the ASCA National Model throughout, the book provides an excellent overview of how the school counseling profession has transformed to successfully meet the needs of 21st-century students. It challenges pre-service counselors to view their sphere of influence from a systemic perspective and develop awareness of the major societal and educational changes impacting the school counselor--including economy, technology, family structures, standards-based education, and diversity. Completely current, the Second Edition is packed with new case studies, data, and illustrations, as well as expanded coverage of diversity and a new chapter on working with special needs students.
