The hunt is on, and Cynthia is the prey.

Cynthia Withers, an average young woman who has no clue that her **gorgeous curves** could get her into so much trouble. If a gang of drunken men isn't enough to make the curvy woman get in trouble, Cynthia finds herself seeking refuge in what turns out to be an ever bigger problem...

Archon Rushael of the House of Weyferi is a **ruthless, sexy, dominant and incredibly hot alien alpha** who is all set to go back home. He's just accomplished his greatest mission on earth and will stop at nothing to get back to Rusneon. While the Rusnean warrior isn't expecting an uninvited human visitor, he has no clue that the visitor will be a feisty human female.

If a fated space journey, **captive with tempting curves and wild mating urges** weren't enough to drive Rushael crazy, the warrior finds his patience tested when someone else is after his destined mate. Now, the alpha will do whatever it takes to protect her, even if that means betraying his own planet's traditions or even sending his destined mate away from him.

Verek, the powerful alien lord, has already set his eyes on the feisty human captive. For Rusneans, the lord is just after the human's life but the ruthless villain wants something more than that. After all, finding a curvy human captive with delicious curves isn't something even the Rusnean lords expect to see everyday.
